TSLEIL-WAUTUTH NATION WELCOME

We are honoured to work with Cease Wyss, Tsleil-Waututh Nation member and Takaya Tour guide, to give these lucky summer campers an opportunity to learn about the Nation's history through wonderful storytelling.

TOUR OF NOONS CREEK HATCHERY

The Noons Creek Hatchery is a favorite sanctuary within Port Moody's beautiful Shoreline Park. We have partnered with the Port Moody Ecological Society to bring campers to the hatchery for a tour and a deeper look at natural systems.

TOUCH POOL ACTIVITY

The Salish Sea Research and Education Society will provide touch-pool for campers to experience our intertidal neighbours up close and personal! Campers will also participate in games and educational activities throughout the camp!

We are grateful to be partnering with Indian Arm Recreational Services to provide on-the-water exploration and a visit to Camp Jubilee for a unique outdoor adventure! The Boat Day will be held on July 27th for Session 1 and August 3rd for Session 2.
